Computer Programmer

Utah Higher Education Assistance Authority (UHEAA) administers the federal student loan program for the State of Utah.

UHEAA seeks applicants for a SAS software developer to join our dynamic system development team and lead our reporting functions. The successful applicant's primary responsibility will be to lead all reporting functions for the team. However, he or she may also be called upon to assist with other programming efforts involving ASP, VB, and C# in a .NET programming environment.

Responsibilities include programming and maintaining reports using SAS, SQL, and Crystal Reports and building and maintaining SQL Server relational databases.

Required qualifications include a Bachelor's degree (or equivalent in education and related experience), programming experience using SAS and SQL, high technical aptitude, strong analytical and problem-solving skills, and excellent communication skills.

Favorable consideration will be given for experience with the student loan industry, .NET, C#, and Visual Basic.

Benefits include but are not limited to medical and dental insurance, retirement, paid leave and holidays, flexible schedule options, tuition reimbursement, and free public transportation.

Salary is commensurate with qualifications and experience.

Consideration of qualified applicants will begin immediately. To apply, provide the following items to the address or fax number below:

- cover letter
- completed application
- resume

A completed application must be submitted. The application is available for download from our web site (www.utahsbr.edu). If problems are encountered downloading the application, please contact Human Resources. The completed application may be submitted after the resume and letter, but the resume will not be evaluated until the application arrives.
