UTAH SYSTEM OF
HIGHER EDUCATION

Building a Stronger State of Minds

FACILITIES

Background

The Utah System of Higher Education's (USHE) Qualification and Prioritization (Q & P) Process was developed to provide a quantified assessment of capital facility needs throughout the System. Following the Q&P guidelines established in Regents' Policy (R741), USHE institutions provide space inventory data to the Office of the Commissioner of Higher Education (OCHE) annually.

Explanation of Attachments

In order to obtain accurate and consistent data, four space categories have been established to standardize inventory reporting. Institutions are required to comply with the following definitions in relationship to these Q&P space categories.

Q&P Space: Q&P space is that space which is compared to standards used to evaluate the need for proposed capital development projects. It includes all space remaining after backing out Auxiliary, Hospital, and Institutional Unique space.

Auxiliary Space: Space associated with formally approved auxiliaries included in Regents' Policy R550, and appropriate prorations of space that directly support Intercollegiate Athletics and Student Recreation.

Hospital Space: University Hospital and associated health sciences space and clinics.

Institutional Unique Space: Space of the following types: public broadcasting facilities, museums and galleries, extension, farms, greenhouses, space shared with other USHE institutions (i.e., University Centers), student health clinics, hosting and conference centers (i.e., alumni house, institutional residence), public service theaters, specialized research/institution centers and labs (i.e., ROTC, Space Dynamics Lab, Edith Bowen School), public service day care and airport hangers.

The following tables provide detailed information regarding the inventory of square footage at each institution. Pages 2 and 3 provide information regarding space inventory totals for the USHE. Pages 4 through 12 report specific institutional data. Institutional data is based on Fall 2007 inventory figures.
